**PRINCIPAL'S DESK MESSAGE**

*"Education is the manifestation of excellence through the continual process of hardship and painstake."*

*Education is the process of teaching-learning that follows lifelong experience of acquiring knowledge, skills, values, moral, beliefs and habits in formal or informal setting. At SAGES Pratappur, we focus on the all round development of a child with a view to help in shaping a better society to live in by knowing and respecting rights, laws and regulations. We aim at human welfare and upliftment of children belonging to remote rural areas who are economically and socially backward. The concept of opening SAGES in Pratappur is to promote free education and quality based education in both scholastic and co-scholastic areas and also to access the language of English from ...*
